Do you know?

- Swimming Carnival is an annual event. We have it every year!
- David Kim Doheoun and Gloria became the best athletes.
- The glorious Blue House won this year.

The Best Swimming Carnival of all time!

Swimming Carnival is an annual event for the school. This year, it was held on 2nd March 2019 at our school's swimming pool. There were many students, teachers and parents that attended for the event. Swimming carnival is an important event for the students because it improves our swimming skills and muscle capabilities, thus, leading to a healthier body.

First, every house marched around the swimming pool to start the event. Every house leader held the house's flag according to their house

colour. There came a time where every house saluted Mr. Chin Khok Kwong, the Principal of the school and Mr. Will, the VIP of the event

at the stage.

After that, the Principal and the VIP guest gave a speech followed by the opening

ceremony initiated by Mr. Will, the VIP cutting the

Meanwhile, the Form 4 and Year 10 students were getting ready to sell food and drinks at their booths. The money they have

collected will be used for Prom Night during their 'senior year' next year.

The students and the guests enjoyed and were very happy

during this event. This event taught us many positive things such as participating in healthy competition leads to

healthy bodies and strengthens teamwork.

balloons.

The sport houses marched off the swimming pool area and got ready for the competition. The swimmers changed into their swimming attires and started to warm up.

Students and Teacher's Reviews

Lau Sew Jue - I was very happy with this year's Swimming Carnival because I won second place for the breast-stroke category. I feel very lucky to have a swimming pool in my school. I like this school and my coach, Mr. Hanif, so much.

Hong Yong Kang - This

year's Swimming Carnival is the best one yet. As one of the participant of this event, I am very proud to join such a memorable event. Thank you SM Highlands and HIBS!

Ms Enthirani - This is my

first time experiencing Swimming Carnival and students here had so much talent and potential in swimming. This was a different kind of feeling for me.
